The image shows a dark-themed mobile application interface for a song player. At the top, there's a navigation bar with icons for home, history, upload, settings, and a search bar containing the placeholder "songs, genres, artists and more...". Below the search bar is a back arrow icon. The main content area displays a song card for "Soesum Crystal". The card includes the artist name "Soesum", the title "Crystal", a play button, a progress bar showing "71" and "3:32", and a three-dot menu icon. Below the song card is a button labeled "+ Upload new song".
